

PCA April Tour

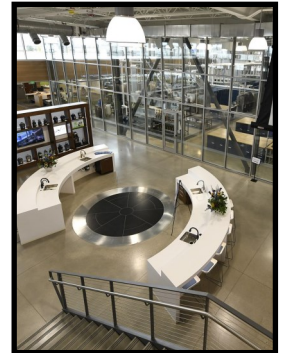

Wednesday– April 16, 2025 at InSinkEerator in Racine, WI

Join your PCA peers for an enjoyable and interesting “road trip” to InSinkEerator on April 16!

Mark your calendar and sign up for our informative tour featuring an educational program and a behind-the-scenes look at this U.S.-based manufacturing facility – concluding with a casual lunch among industry friends hosted by InSinkEerator® at the company’s headquarters in nearby Racine, Wisconsin. We’ll meet at the PCA’s conveniently located office in Oak Brook, and travel by bus for the 1 hour and 15 minute (approximately) ride to our destination.

InSinkEerator® is the world's largest manufacturer of garbage disposals and instant hot water dispensers for home and commercial use. Since 1938, the company has delivered long-lasting innovative products that PCA contractors and the plumbers in their employ have been installing for their customers for decades. The company’s products are in use in nearly 80 countries, with subsidiaries in Australia, Brazil, Canada, China, Mexico, New Zealand and United Kingdom. Fortunately for our members, the opportunity to experience another industry-focused mid-day tour is (this time thanks to InSinkEerator®) is just a bus ride away!

Space is limited; don’t delay!
