

PCA of Greater Chicago partners with Construction Safety Council (CSC)

4 Hour Continuing Education Class

This class is approved by the IDPH for CE credit toward renewal of the Illinois or Chicago plumbing license courtesy of the Construction Safety Council (CSC) through an OSHA grant.

○○○○

Course #: 750-021-C57 Harmful Silica

Barely visible, but dangerous nonetheless, respirable crystalline silica is the byproduct of sawing, drilling, and crushing concrete, stone, and brick. The dust particles are small enough to be inhaled deep into the lungs, where they can cause serious illness and fatal disease. Learn about the OSHA standard that includes specific measures for employers to protect employees from exposure, including engineering controls, work practices, and respirators.

Construction
Safety
Council

Date: September 17, 2026
Registration Time: 3:30 p.m.
Course: 4:00 - 8:00 p.m.
Location: PCA Office:
900 Jorie Blvd. Lower Level.
Oak Brook, IL 60523

Founded in 1989, the Construction Safety Council is a nonprofit organization dedicated to advancing safety and health in the construction industry worldwide. Guided by industry leaders, CSC has grown into a world-class construction safety consortium, offering high-quality training, resources, and loss-reduction tools designed to strengthen and enhance your safety program.

Registration Deadline: Sept. 11, 2026
You must bring your Plumbing License with you to the class to receive credit
