

PULLMAN

NATIONAL HISTORICAL PARK

THURSDAY, MAY 21, 2026
BUS DEPARTURE AT 9:00 A.M.
10:00 A.M. - 1:30 P.M.

Following PCA's tradition of interesting industry-oriented in-person tours (as in recent visits exploring Brookfield Zoo's filtration systems; Elmhurst Quarry; DuPage Water Commission; Downers Grove Sanitary District), next up is Chicago's "Pullman Historical National Park"- the infamous "company town" where the luxurious Pullman (passenger train) dining, lounge and sleeping cars were manufactured from 1867 to 1968.

Our "tourists" will travel by chartered bus from the PCA Oak Brook office to the south-metro Pullman site. We'll take part in a midday guided walking excursion featuring Pullman Exhibit Hall; National Park Visitor Center; Pullman Club Coffee Shop; Neighborhood Tour of Historic Town; Tour three historic homes(emphasizing plumbing & HVAC) from the Pullman Palace Car Company Town and a catered closing lunch. Our docent will share insights on the history and continual restoration of "Pullman" while it remains a thriving residential community. Our modest per-person registration fee covers it all!

REGISTRATON OPTIONS

Register the following for the PCA - Pullman National Park on May 21, 2026.
